

Experts, Leaders, Teachers...

Here is just a small sample of CLAE's **wide network** of volunteer faculty. From Seattle to Boston, Mississippi to Maine: **seasoned legal practitioners, community leaders, and skilled teachers** all. We're proud to have secured the services of such an **esteemed** and **expert** group over the years and we always welcome the **rich insight, practical knowhow** and **enthusiastic endeavor** that they bring—to each and every one of our many training events. It's an **ever-growing community** of trainers at the heart of what we have to offer. **Be a part of it and join us!**

...A Community of Trainers!
