	1 - 5	Comments
Am more aware of and better able to articulate the history and mission of legal services as a national movement and of the history and mission of my own program		
Will be better able to conduct an organized client interview that includes an exploration of the full range of client needs and goals, reaches agreement about the scope of our potential involvement, effectively gathers the facts and information necessary to further investigate and plan and includes a mutual understanding of next steps.		
Will be better able to construct an effective plan for the conduct of my cases		
Will be better able to analyze legal authorities and apply the analysis to ensure I understand the facts I need to prove
